Bin Zeus started to search in his dad's bag for some evidence that may help him in the investigation. He found a guy named Jack and he was a suspect. He was from Mexico but born in U.S.. He researched his name and he found that he escaped jail one week before his parents murder. Bin Zeus called his dad's friend Michael because he wants to ask him some questions about Jack Lambert.

Bin Zeus: Hi

Michael: Oh hi I am very sorry for not coming to your parents funeral I was busy doing something outside the country.

Bin Zeus: It's ok but I just wanted to ask you if you know a guy called Jack.

Michael: Jack Lambert?

Bin Zeus: I want you to tell me some information about him.

Bin Zeus:Do you where he went.

The guy:Wait why are you asking about him?

Bin Zeus: Thank you so much bye

The guy:Bye but how am I supposed to call you if I don't have your number.

Then Bin Zeus went straight to his house and slept. The next day Bin Zeus woke up and he found a message it was from Michael he asked if he found Jack then Bin Zeus answered him saying “no still”. After hours of waiting Bin Zeus heard his phone ringing and it was George.

Bin Zeus:Hi

George:I saw Jack his inside his house he is getting some stuff hurry!

Bin Zeus said:I am coming right!!!

Now Bin Zeus is looking for something that could help him in catching Jack but he couldn't find anything. While he was walking he remembered his dad used to hide something under the bed so he rushed and he found a pistol. Then he left a message for Michael he said now I am going to catch Jack.

So when he reached the building he started searching for his phone but he could find it because he forgot it at his house. He saw George he was waiting for him and they went up to Jack's apartment and they found the door opened Bin Zeus was really nervous to go inside but he didn't have another choice so he went inside and then he got hit in his face by a baseball bat he fell on the floor and the blood came out of his nose and he fainted. After a few hours Bin Zeus woke up and he saw George talking to someone.

Bin Zeus said:George who are you talking to.

George replied:It's my friend Jack.

Bin Zeus was shocked.

Bin Zeus said:you are talking to a guy who killed my parents.

George:Actually it's me who killed your parent not him.

Bin Zeus:why?

George:I wanted to avenge my friend's pain he stayed in jail for 6 years because of your dad.

Bin Zeus:My dad was doing his job.

George:His job was to make people desperate and sad but now it's your turn to die.

Bin Zeus is crying.

Bin Zeus:ok at least I will meet my parents up in heaven.

Jack:Can I kill him.

George:Ya sure my friend.

George gave Jack the pistol.

Jack:Are you ready?

Bin Zeus:Ya

Jack started counting:

Jack:3...2...1

George:Stop...Stop the cops are under the house.

Jack what will we do?

George:I don't know.

While they were talking to each other the cops broke the door and went inside and told them to put their weapons at the floor and put their hands up.Then Michael came inside.

Michael:Bin Zeus are you okay?

Bin Zeus:Ya..ya.

Michael took bin Zeus to the car and went back home.

The next day they went to the court to see what will happen to Jack and George.When they entered the court they saw them crying.Bin Zeus started wondering why are they crying so he is asked someone and he told them the judge said that they will be executed.Then Bin was happy.

Michael:See Bin Zeus your work has made the city find justice you will be a true cop.
